Dear Sirs,

I received you message and I will try to fulfil my duties. I will send you full weekly report of Rupinder's activity at the end of this week.

Sorry, I haven't enough sources to control his financial activity. Everything I can do is to send the amount of the salaries and some expenditures. I advise you to use this e-mail address as Rupinder can't control it.

I hope your received his e-mail address which I sent you last week.

Regards,

Nadya
